Rs 10,000/- has been sanctioned in July last. The loan is repayable approximately after the sale proceeds so formed. In view of this, the total amount realised from the sale of sites should be sufficient to pay off the loan and the amount due on the first instalment of the Madras loan as proposed by the Municipality. With reference to para 2 of Govt. Memo No. 178 dt. 3/8/43 Fin. Kind reference is invited to para 28 and para 41 of the rules on ML file 110-41-3-5, 24 Dev., in regard to the financial condition of the Municipality and the necessity to help it for enabling the loan amount being discharged. An additional loan of Rs 10000/- was accordingly sanctioned.

2. The present request is that the Madras Municipality may be permitted to pay in respect of the first instalment of the loan of Rs 14,000/- already taken, before the close of the 3rd year, although it falls due on 3.4.43 without payment of penal interest. This may be considered in the context of the fact that penal interest is charged after the expiry of the instalment is made. A report to that effect is received from the Director of Municipal
